FACULTY DEVELOPMENT PROGRAM

ABOUT THE FDP

In the recent times, modern technological development has redefined the concept of learning and teaching particularly in law teaching and legal research. Advance tool of pedagogy in legal academia has increased the challenges before law teachers. Changing dynamics of law and information technology has moved the academics and requires command over contemporary legal issues along with traditional principles.

Therefore, every teacher needs to continuously upgrade himself/herself by engaging in research. The proposed FDP deals with the contemporary legal issues and focuses on enhancement of the law research and development skills of the law faculty. Law and legal education has always been changing to fulfill smooth functioning of the governance and the society making sure that the goals are justified to maintain its existence.

The changing times has brought about to encounter the different issues and challenges in which the legal teaching-learning process has responded in an innovative way to various concerns in the legal field.

FACULTY DEVELOPMENT PROGRAM

AIM OF THE PROGRAM

This Faculty Development Programme (Online) is an effort to discuss the recent changes which have taken place in the field of law, society and to the legal education. The changes have been experienced by the teaching-learning process. This platform of the event will recognize various issues and challenges which have arisen due to the changes in law and the legal research.

ABOUT AUMP

Amity University Madhya Pradesh has been established by the Ritnand Balved Education Foundation (RBEF), New Delhi which is a society registered under the Societies Registration Act, 1860. It was established with the view to promote professional, industry-oriented education in the state of Madhya Pradesh.

Amity University Madhya Pradesh located on 100 acres of land opposite Gwalior Airport, impart modern, practical and research-based courses which will lead to the development of manpower which is employable and ready for industry. This in turn will drive the socio-economic upliftment of the region.

ABOUT RITNAND BALVED EDUCATION FOUNDATION (RBEF)

Ritnand Balved Education Foundation (RBEF - an Umbrella organization of all Amity Institutions).

RBEF was established in 1986. Presently, more than 1,00,000 Students study in 240 programs across 30 Amity campuses spread over 1000 Acres of land with more than 5.1 million sq. ft. of built-up area.

More than 4000 faculty and staff members are dedicated to making Amity institutions world class and include leaders such as 12 former vice chancellors of renowned universities including Roorkee University, the former vice chairman of the AICTE, 12 former Generals of the Indian Army, IAS and IPS officers, renowned scientists, former CEOs of PSUs and of course many brilliant academicians.

Amity imparts education in almost all areas including management, engineering, biotechnology, law, communication, insurance, nanotechnology, behavioral science, fine arts etc. The Amity Business School and the Amity Institute of Biotechnology have both been ranked No.1 in the country among private institutes.

ABOUT AMITY LAW SCHOOL (ALS), AUMP

Amity Law School is a distinct microcosmic institution epitomizing a composite multi-dimensional and multi-national amalgamation of students and faculty members. It is a legal institution par excellence and a hub of legal studies. Since its inception in 2013, it has been growing by leaps and bounds. The law school is endowed with excellent faculty members and top class infrastructure which is conducive for higher learnings. The law school is endowed with excellent faculty members and top class infrastructure which is conducive for higher learnings. The case-study method of teaching law is pursued here; the school does not depend on latest edition books as the case materials of B.A.LL.B.(H), BBA.LL.B (H), B.COM.LL.B. (H), LL.B. (H), and LL.M., are revised by the faculty members every semester with dedication, and are circulated among students. In addition to the same, the school has a rich library with print and e-resources.

The faculty members have diversified knowledge and ample experience. Professors from other universities visit the school, deliver lectures to the students and share their experiences. We have also signed memorandums of understanding (MoUs) with the top most universities like Pepperdine University, California (USA). Teaching of law has to be socially relevant, technically advanced and needs to concentrate on newer remunerative branches such as Intellectual Property Rights (IPRs), Insurance Negotiations, Information Technology laws relating to wealth generation like finances including taxation. The Amity Law School caters to all of these.

Strength of the Institution

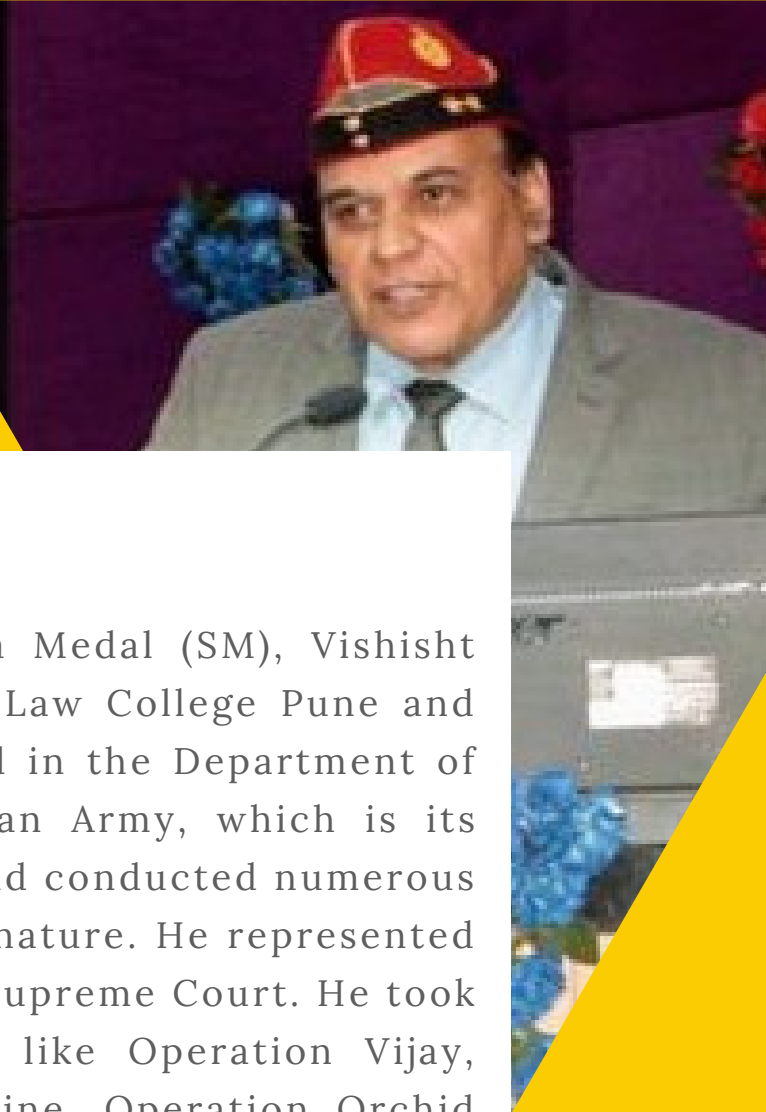

The strength of ALS is that it contributes exponentially towards making the learning experience inimitably transcendent in its consecrated portals. It aims for the holistic growth and development of the students with special emphasis on professional sophistication and value system, in conformity with our noble traditions of legal system. We believe that learning does not stop in the class room, we keep the windows of knowledge wide open to think out of the box. Life of law is not logic, but experience. Towards the end, we call/invite speakers of excellence from top notch universities to share their experience with our students to help our students become professionally tall.

Every institution boasts a vision and we are not an exception.

Right from the beginning, we strenuously endeavored to metamorphose Amity Law School, into a world-class institution imparting legal education accompanying a well cherished dream of becoming an institution of excellence across the globe producing legal professionals with humanitarian propensity. For that very objectives in addition to core academic activities for the career management of the students, we are having three Clubs in ALS, namely, Judiciary Club, JAG Club and Advocacy Club. Students may join any of these Clubs. Despite rigorous training schedule in the National Defence Academy or Indian Military Academy or Officers Training Academy, there used to be Clubs, like Horse Riding Club, Golf Club, Polo Club etc. In these Clubs we would impart special training to the students
