Wondered how it is to be a International fellow?

Fullbright, SICI, Erasmus, DAAD (to name a few) are some of the popular research fellowships granted to research scholars registered in Indian Universities, to experience international research experience for a short term. They are fully funded programme, giving the benefit of both the world. As any, these international fellowships are highly competitive! But its open to all scholars.

How wonderful would it be if you can hear from those scholars , that helped them enjoy theses fellowship.

Jusfocus Academic Consultancy, welcomes each of you to an Interactive session with Few international fellows.

Take away

Speakers will be sharing their application process, successful tips, experience, and impact it had on their research.

Your opportunity to learn how to prepare effective and compelling proposal that will increase your probability.
